EXECUTIVE DIRECTOR'S STATEMENT

According to Wikipedia, an annual report is a comprehensive report on a company's activities throughout the preceding year. Annual reports are intended to give shareholders and other interested people information about the company's activities and financial performance. They may be considered as grey literature. Most jurisdictions require companies to prepare and disclose annual reports, and many require the annual report to be filed at the company's registry.

such as a report on operations for manufacturing firms or corporate social responsibility reports for companies with environmentally or socially sensitive operations. In the case of larger companies, it is usually a sleek, colorful, high-gloss publication.

NJAC MISSION

To enable social justice and human dignity to be manifested in the policies and institutions governing victims of crime and offenders, as well as individuals in need of social services, through rehabilitative, educational, and legislative programs.
